UNIVERSITY

Ce to globalise Public private partnerships

December 4 2014

Bath Spa University

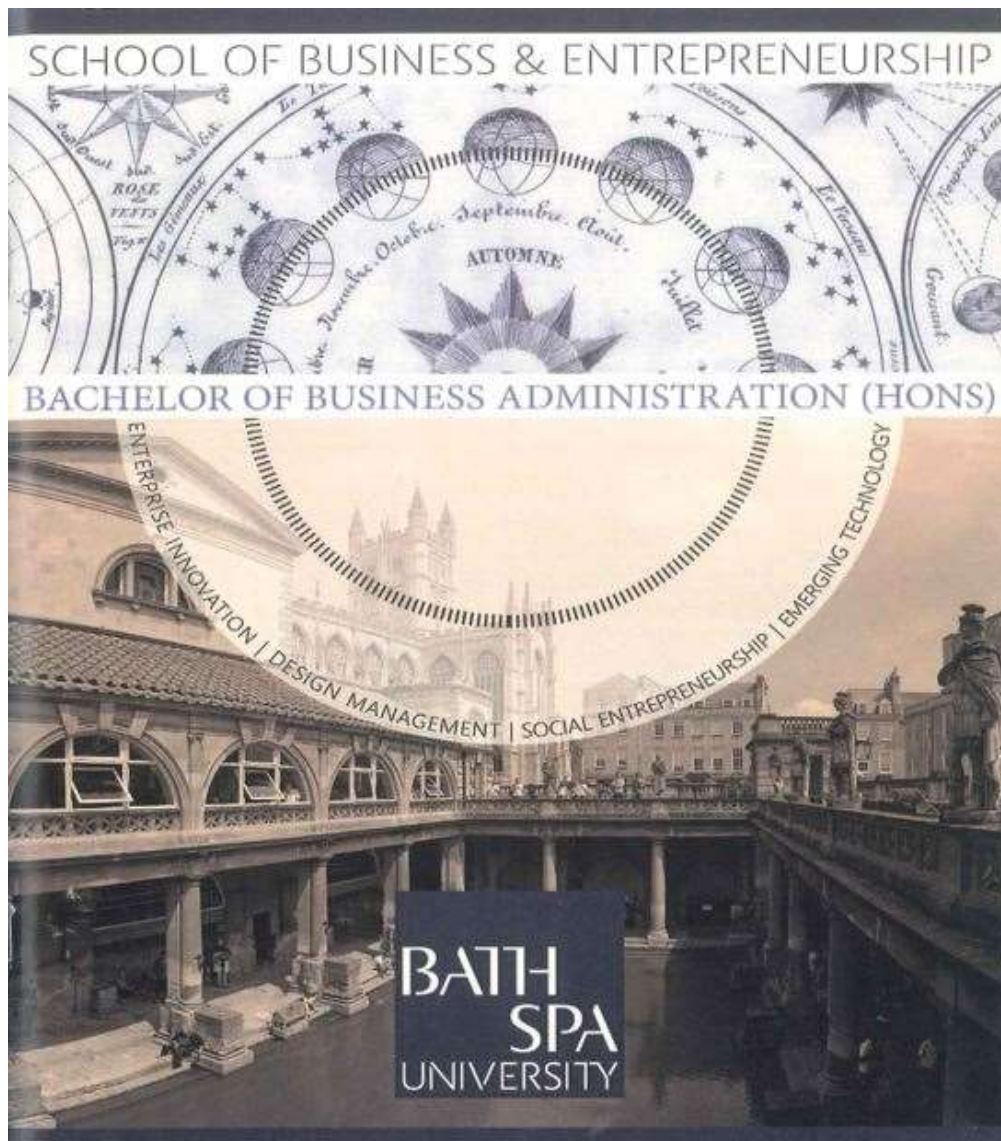

VISION 2015

To be a leading university in creativity, culture and enterprise. Through inspirational teaching and research, we transform student lives.

Based in a world heritage city and connected to a network of international partners, Bath Spa University will ensure that its graduates are socially engaged global citizens.

Bath spa Global

- Public private partnership with Boston based Shorelight Education, funded by Sterling, owners of the Laureate group
- Pathway college with intensive teaching over four quarters
- Students progress into
 - Bath Spa University honours degrees
 - Into a new programme in design based thinking and entrepreneurship
- Further Masters levels pathways in US, Hong Kong and UK

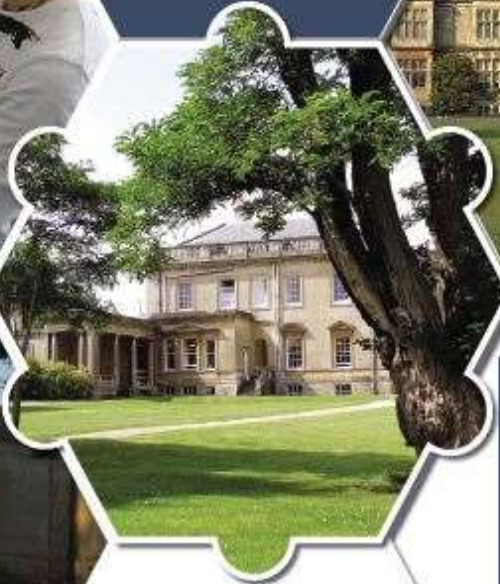

Bath Spa 2020

We are an ambitious, enterprising and supportive university community united through **CREATIVITY.**
