

The Student view on MOOCs

Alex Louch

Vice President Academic Affairs

University of Exeter Students' Guild

- **Students should help to shape MOOC development**
- **Social Media is critical to a MOOC's success**
- **A MOOC student legally belongs to a MOOC provider, not a University**
- **We need a discussion about Online Learning and representation. Communities vs. consumerism**
- **MOOCs don't threaten face to face teaching**
